Creative and interactive Craft Teacher adept at teaching various art concepts and methods in a way that's fun engaging and insightful. Adept at planning activities meant to develop skills and assess existing abilities. Specialize in observing students' progress and providing constructive criticism.

I am Gunjan Saxena is a specialist of Handicrafts products made by Jute with a focus of linear value chain into a circular system with overall experience of 20 years in the field. A passionate and creative mindset artisan, dedicated to create sustainable and environment friendly circular Handicrafts products made by Jute. She is always interested to extend her experience in circular and sustainable handicraft products by providing training to various artisans specially women in the field. Till date more than 500 artisans have been successfully trained and earning their own livelihood in the field of handicrafts. Her focus is combination of creativity and strategic circularity i.e. up cycling, recycling, repair, resale, which makes her creations matching the requirements the future road map of sustainability and circularity in India.

Work Experience:

- Provided instruction in basic art concepts appropriate for elementary schools and NGO children.
- Prepared classroom art projects and provided assistance as students completed projects
- Participated in quarterly meetings with parents either in person or over the phone.
- Engaged students to an assortment of creative craft projects.
- Met one-on-one with each student to discuss progress.
- Assigned fair grades on each art or craft project.
- Provided in-class demonstrations and hands-on instruction.
